

Cellu•Sep®

T-SERIES DIALYSIS MEMBRANES

Cellu•Sep® Regenerated Cellulose Tubular Membranes have proven time after time to be the **smartest value** in dialysis tubing available to laboratories anywhere around the globe.

Cellu•Sep is low in price and includes extra value items that don't cost **you** extra. Each box of T1, T2 & T3 includes a detailed technical manual, analytical data sheet and disposable scissors. You also get two **free** Locking Dialysis Membrane Clamps with every box – just to help make your dialysis procedures run a little bit easier.

To protect your order of

Cellu•Sep, we always ship each box in a sealed 4 mil zip-bag to control humidity.
