

# Transfer Pipettes

- Runlab Pipettes are manufactured from a special non-toxic low-density polyethylene.
- Ideal for transferring and dispensing liquids safely in all types of laboratories eliminating the risk of cross contamination.
- Available in a wide range of standard and special types.
- Offer excellent transparency with uniform wall thickness and precise graduations ensuring consistent results.
- In choice of sterile individually peel pouch and flow wrapped or packed in 10's and 20's and non-sterile in handy bench packs.
